

A History And Philosophy Of Sport And Physical Education: From Ancient Civilizations To The Modern World, 2005, 415 pages, Robert A. Mechikoff, Steven G. Estes, Steven Estes, 0072973021, 9780072973020, McGraw-Hill Higher Education, 2005

This engaging and informative text will hold the attention of students and scholars as they take a journey through time to understand the role that history and philosophy have played in shaping the course of sport and physical education in Western and selected non-Western civilizations. Using appropriate theoretical and interpretive frameworks, students will investigate topics such as the historical relationship between mind and body; what philosophers and intellectuals have said about the body as a source of knowledge; educational philosophy and the value of physical education and/or sport; philosophical positions that have impacted the historical development of sport and physical education; the history of women in sport and physical education; the role and scope of sport and physical education in Ancient Greece and Rome; the Ancient Olympic Games; the relationship between sport and religion in ancient and modern times; the theoretical and professional development of physical education; the rise of sport in modern America; the history and politics of the modern Olympic Games; and the contributions of men, women, and social movements to the development of sport and physical education from ancient times to the modern era.
