

Crash, 2004, J. G. Ballard, 0099466899, 9780099466895, Random House Uk Limited, 2004

The cult status of CRASH has intensified since its original publication in 1973, making it a classic of underground literature. In this hallucinatory novel, the car provides the hellish tableau in which Vaughan, a 'TV scientist', experiments with erotic atrocities among crash victims, each more sinister than the last: ultimately, he craves a union of blood, semen and engine coolant in a head-on collision with Elizabeth Taylor.
